Barrow County School System Pre-K Program

RTI Weekly Data Collection Sheet

Student Name: _____ **Teacher Name:** _____

School: _____

Area of Concern: _____

_____

It is recommended that data be collected 1-2 times per week for a period of 6-8 weeks. Data should be collected on the same target skill each time. Use a √ to indicate accuracy and a – to indicate weakness. After using this form, plot the % accuracy for each week on the progress monitoring chart (on the back of this form or on the second page).

Date	**Target Skill(s)**	1	2	3	4	5	6	7	8	9	10	**Total (%)**
