MISSION

At BCMS, we are committed to inspiring our students to dream, encouraging them to believe in their full potential, and empowering them to achieve their individual goals.

VISION

By creating a culture where relationships are valued, high expectations are the norm, and students are engaged in relevant learning experiences, BCMS will become a model for developing purpose-driven leaders who are capable of defining and achieving success on their own terms.

CORE VALUES

- 1 We intentionally build meaningful relationships.
- 2 We relentlessly focus on achievement.
- 3 We promote high expectations.
- 4 We value a growth mindset.
- 5 We engage students in relevant learning experiences.
