REQUEST FOR PROPOSAL (RFP) FOR Epson 685wi Interactive Projectors

To: All Interested Vendors

You are invited to submit a formal proposal (bid) for Epson 685wi Interactive Projectors for the Barrow County School District in accordance with the attached General Conditions and Specifications.

Proposals from bidders will be received by Barrow County Schools until 1:00 P.M. local time, on Tuesday, July 18th. Proposals must be emailed to the attention of John St.Clair at jstclair@barrow.k12.ga.us.

Emailed proposals will only be deemed accepted for consideration upon delivery of a confirmation email from jstclair@barrow.k12.ga.us to vendor's email indicating receipt of proposal. If vendor does not receive confirmation of receipt of proposal via email, vendor should consider proposal not to have been delivered.

Barrow County reserves right to postpone bid opening to later the same day beyond original due date/time in event of delay of email services. Once time has been called and the first proposal has been opened, any proposals received thereafter will be returned unopened. Proposals may not be withdrawn and pricing must be valid for a period of ninety (90) days after the date of bid opening. Barrow County Schools reserves the right to reject any and all bids or to waive any informality in bidding.

Questions must be e-mailed to jstclair@barrow.k12.ga.us.

GENERAL CONDITIONS

The Barrow County School System seeks competitive bids for Epson 685wi Interactive Projectors for multiple schools as per the specific criteria to follow. (<https://epson.com/For-Work/Projectors/Interactive/BrightLink-685Wi-WXGA-3LCD-Ultra-Short-throw-Interactive-Display/p/V11H741522>)

In addition to specific criteria, the following general conditions apply:

- Vendor is responsible for all installation and installation materials required.
- Projector will be installed above school-district supplied white markerboard. School district will also supply power for projector.
- All cabling must be plenum rated.
- All computer-to-projector cabling must include a 3' service loop above ceiling.
- All computer-to-projector cabling will be surface mounted. Vendor must provide **metal wire molding** to protect all exposed wall-mounted cabling.
- Wire molding must be securely fastened to wall with screws or other district-approved mechanism.
- All hardware must be brand new and eligible for manufacturer support and warranty. No grey-market products are acceptable.
- Use of sub-contractors for installation is **not** permitted.
- Vendor response should include 80% of projector installations measured at 35' cable lengths, and 20% of projector installations at 50' cable lengths (HDMI and USB cables).
- Cable lengths are measured from projector location to existing teacher computer location in classroom. Input hookups must be located on wall nearest to existing teacher computer.
- All computer-to-projector cable runs should be terminated in vendor provided gangbox with appropriate faceplate and connectors on computer side. Vendor may determine appropriate methodology on projector side compliant with other requirements listed here.
- Vendor must provide sample photo or drawing of proposed faceplate.
- Vendor must provide parts lists for all projector and cable components with per-line-item pricing specified. Other components should be listed but do not require per-line-item pricing.
- Cables provided in this RFP must be pre-made and pre-terminated by established cable manufacturers.
- Cable runs from computer station to projector must include HDMI, and USB (2.0 full speed specification).
- Vendor must supply computer-to-wall-plate patch cables for HDMI, and USB (2.0 full speed specification).

SPECIFIC CRITERIA

Supply and install 180 projectors, wall mounts, and cabling across multiple schools in district as per the following:

Component	Manufacturer	Part #s	Quantity
BrightLink 685Wi projector	Epson	V11H741522	180
Ultra-Short Throw Wall Mount	Epson	ELPMB46	180

Depending on bid results and available funding, additional projectors with installation may be purchased from this RFP. Vendor must agree to extend bid response pricing to additional units.

Trade Names "or Equal" Clause

No product substitutions will be allowed.

The Barrow County School System may accept any bid offered on an all, some, or none basis, within funds available, whichever is in the best interest of the school system.
