9/22 - Unicorn Library Birthday Party:

Message from the library manager:

The Statham Library would like to thank The Georgia Club Foundation for their generous \$2,500 donation to the library to replace some of our aging computers. We also have received a \$714 donation from Mr. Michael Hartness for the purchase of our very first wifi hot spot that will be available for patron checkout. We are also very thankful for our new "Little Free Library" bus out in front of the library that was built for us by Boy Scout Troop 789.
