

## Barrow's BEST

Each day we come in contact with exceptional individuals. There is always that person that goes the extra mile to help or provides extra special "customer" service. Now school system employees, parents, business partners and the community can make sure everyone knows about those special people!

Barrow County School System has an employee recognition program called BEST, Barrow's Exceptional Support Team. Anyone can nominate an employee for an annual BEST award. Nominees will receive a special notification that they have been nominated as a BEST. The Superintendent will also send them a letter acknowledging their nomination. *Please note: teachers and administrators are not eligible for this recognition.*

This is a great way to say **THANKS** to a school system employee who goes above and beyond.
