- Both the duty and the accompanying pay conclude at the end of the contract year.
- School level supplemental duties are to be performed outside the regular work day.
- School level supplements for coaches, designated sponsors, and department chairs are paid for the extended daily and/or extended calendar schedules as well as for extended responsibility, which are necessary for supervision, practice, competitive events, and other activities related to these programs. If a planning period is granted by the school principal and used to carry out the activity or the activity is completed during a class period, a supplement will not be paid.
