

Haymon-Morris Middle School

2017-2018 School Improvement Plan Overview

Goal Area 1 Academic Achievement

SMART Goals

Increase the percentage of students scoring in the top two categories on each domain on the writing portion of the GMA by 3%:

- Narrative: 38.3% to 41.3%
- Ideas: 23.9% to 26.9%
- Conventions: 84.1% to 87.1%

Strategies

- Incorporate specific schoolwide writing plan for ELT including the use of school-wide writing strategies (ACE/CER) and highlighters
- Use weekly collaborative content meeting to focus on specific strategies to engage learners in effective writing practices including common rubrics and group scoring
- Utilize paired text writing once per quarter with specific prompts to model extended writing like that found on the GMA.
- Utilize media center audio/visual system (projector/retractable screen and sound system)

SMART Goal

Increase the percentage of students scoring at levels 3 and 4 on the Georgia Milestones in Math by 3% from 42.7% to 44.0%.

Strategies

Identify domain performance of students for teacher (geo, operations,) to target specific professional learning
Strategically place students in a math ELT based on academic strengths and weaknesses in math

Goal Area 2 Family and Stakeholder Engagement

SMART Goal

Ninety percent of all teachers will create instructional videos to assist with transition to middle school and with the academic content.

Strategies

- Create instructional videos (how to complete problems, upcoming topics,)
- Conduct Live streaming of events
- Use Remind App as a digital family communication tool

SMART Goal

Increase communication with all EL students and their families

Strategy:

Send representative to the GA TESOL conference

SMART Goal

Increase parent awareness of Move On When Ready as students transition to AHS

Strategy:

Include in registration information for 9th grade MOWR
