

# REACH Georgia. Change Lives!

## Realizing Educational Achievement Can Happen

### R.E.A.C.H. Scholars 2015 - 2016

REACH provides Georgia's academically promising students with the academic, social, and financial support needed to graduate from high school, access college, and achieve post-secondary success.

For more information, contact Sherri Perry, program coordinator at 678-713-0487 or [sherri.perry@barrow.k12.ga.us](mailto:sherri.perry@barrow.k12.ga.us)

#### REACH Scholars Receive:

##### Mentoring:

- Scholars meet with the mentors at least two times per month at school.
- Mentors support the scholar throughout his/her secondary school career and beyond.

##### Academic Coaching:

- Academic coaches work with each student to develop concrete college and career plans.
- Coaches monitor academic progress, attendance, and behavior throughout middle and high school.
- Coaches provide additional academic support when needed.

##### REACH Scholarship:

- Scholars are awarded up to \$2,500 per year (for up to 4 years-\$10,000 total) to be used at any HOPE-eligible two- or four-year college of their choice.
- **University partnerships are matching and double matching** the public and privately funded college scholarships. The University of Georgia, Georgia Southern University, Georgia State University, Georgia Tech Institute of Technology, and Mercer University are all currently double matching the \$10,000 scholarship.
