Barrow County School System Student Code of Conduct

The Barrow County Student Code of Conduct is based on the philosophy that discipline is a tool that is used to teach students to become responsible for their own behavior. Since our students live in a society in which citizens are expected to obey laws and abide by commonly accepted standards of behavior, we must teach them to be self-disciplined. This Student Code of Conduct is built upon those commonly accepted standards of behavior sometimes called character traits. These character traits include: citizenship, cheerfulness, cleanliness, compassion, cooperation, courage, courtesy, creativity, diligence, fairness, generosity, honesty, kindness, loyalty, patience, patriotism, perseverance, punctuality, respect for others, respect for the creator, respect for the environment, sportsmanship, school pride, self-respect, self-control, tolerance, and virtue.

In order to educate students to become productive citizens as adults, we must create a safe, non-threatening and orderly school environment that enables teachers to teach and students to learn. We expect students to “behave themselves in such a way so as to facilitate a learning environment for themselves and others, respect each other and school district employees, obey student behavior policies adopted by the local board of education, and obey student behavior rules established by individual schools (O.C.G.A. 20-2-735).” This Code of Conduct establishes expectations for the maintenance of a positive learning environment at school. Major offenses, including, but not limited to, drug and weapon offenses, may lead to a school being labeled as an Unsafe School according to the provisions of State Board of Education Rule 160-4-8-.16 Unsafe School Choice Option.

The Student Code of Conduct is effective during the following times and in the following places:

1. At school or on school property at any time;
2. Off the school grounds at any school-related or school-sponsored activity, function or event and while traveling to and from such events;
3. On vehicles provided for student transportation by the school system and school bus stops where groups of students gather for the purpose of getting on or off the school bus.
4. Off school property provided a student’s behavior poses a threat to the safety of students, staff or visitors at school or has the potential to disrupt the safe and orderly operation of a school.

Parental Involvement: Parental involvement is key to the success of students in school. Therefore, it is important that parents have opportunity to know what is happening with their children on a regular basis. Parents can stay informed about their child’s progress through regular progress reports and report cards, weekly folders at the elementary school level and daily agendas at the middle and high school level. Parents are encouraged to review these materials with their children regularly. Additional notices will be sent home with students when they are referred to the principal or assistant principal for a violation of the code of conduct. When notices of disciplinary action are sent home it is the responsibility of the parent to

sign and return the notice to school. More direct contact such as a mailed letter or phone call may be made for Class II or III offenses. Class IV offenses require a more formal parental notification such as a mailed letter or phone call and a conference with the parent. At any time, a parent may request a conference with the principal, assistant principal or teacher to discuss issues related to discipline and the code of conduct. This code was developed with input and review by parents and suggestions for improvement from parents, students, teachers and staff are always welcome.

The Barrow County School System encourages parents and guardians to inform their children of the consequences, including potential criminal penalties, of underage sexual conduct and crimes for which a minor can be tried as an adult. The superior court shall have exclusive jurisdiction over the trial of any child 13 to 17 years of age who is alleged to have committed any of the following offenses: (i) Murder; (ii) Voluntary manslaughter; (iii) Rape; (iv) Aggravated sodomy; (v) Aggravated child molestation; (vi) Aggravated sexual battery; or (vii) Armed robbery if committed with a firearm.

Positive Behavior Intervention & Supports (PBIS): Barrow County School System is an active participant in the Georgia PBIS program. Positive Behavioral Interventions and Supports (PBIS) is an evidence-based, data-driven framework proven to reduce disciplinary incidents, increase a school's sense of safety and support improved academic outcomes. The premise of PBIS is that continual teaching, combined with acknowledgement or feedback of positive student behavior will reduce unnecessary discipline and promote a climate of greater productivity, safety and learning. PBIS schools apply a multi-tiered approach to prevention, using disciplinary data and principles of behavior analysis to develop school-wide, targeted and individualized interventions and supports to improve school climate for all students.

Student Supports: If a student needs support whether they have violated this Student Code of Conduct or not, there are members of the school community to assist them and navigate any issues/process in which they need help. Those supports include: the district's school counselors, school social workers, school psychologists and a variety of community agencies in which students may be connected through school counselors, social workers and others. If any member of the school community needs assistance, they are encouraged to begin with their classroom teacher, school counselor, or school administrator and they can be referred for additional supports as needed.

Cooperation: Cooperation is essential to a successful discipline program. Every person has an important role to play. Students must know the rules and accept responsibility for the choices they make and the consequences, positive or negative, that result from these choices. Teachers and administrators must enforce the rules consistently and fairly.

Parents must be aware of situations affecting their child and provide support for correcting problematic behavior. Everyone must be a role model by setting a positive example. When parents, teachers, administrators and students work together, our students can become fully prepared for life beyond school.

Teacher Authority to Remove a Student from Class: Under Georgia law (O.C.G.A. § 20-2-738) and Barrow County Board of Education policy JD – Student Discipline, a “teacher shall have the authority, consistent with local board policy, to manage his or her classroom, discipline students, and refer a student to the principal or the principal’s designee to maintain discipline in the classroom.” A teacher also has the authority to remove from his or her classroom a student who repeatedly or substantially interferes with the teacher’s ability to communicate effectively with the students in the class or with the ability of the student’s classmates to learn, where the student’s behavior is in violation of the Code of Conduct.

Student Searches: Student cars brought on campus, student book bags, school lockers, desks and other school property shall be subject to random inspection and search by school authorities at all times without further notice to students or parents. Such searches may be conducted using "drug-sniffing" dogs or hand-held metal detectors. An individual student may be searched if there is a reasonable suspicion that the student is in possession of an item that is illegal or in violation of school rules.

The Barrow County School System reserves the right to use "walk-through" and "hand-held" metal detectors and "drug-sniffing" dogs at any school function, including activities which occur outside normal school hours or off the school campus. Students are notified that these metal detectors will be used in the discretion of administrators.

Targets of Inappropriate Behavior: The code of conduct shall be enforced when a student commits acts of verbal or physical assault or acts of disrespectful conduct against school personnel, other students or any persons attending school related events (O.C.G.A. 20-2-751-5).

Firearms at School: Students who possess a firearm on campus will be subject to a minimum of a one-calendar year suspension/expulsion and will be referred to law enforcement officials (JCD). See Explanation of Terms for an explanation of what is considered a firearm.

Chronic Disciplinary Students: Any time a teacher or principal identifies a student as a chronic disciplinary problem student, the principal shall invite the parent or guardian to observe the student in a classroom situation, and request at least one parent or guardian to attend a conference with the principal or the teacher or both to devise a disciplinary and behavioral correction plan (O.C.G.A. 20-2-765). Before any chronic disciplinary problem student is permitted to return from an expulsion or suspension, his/her parent will be expected to attend a conference with the principal to develop a disciplinary and behavioral correction plan. Documentation of this conference shall be placed in the student's permanent file.

Acts of Physical Violence: Any student who commits an act of physical violence against a teacher, school bus driver, or other school official or employee will be referred to a disciplinary hearing and may be expelled and referred to Juvenile court depending on the findings of the disciplinary hearing. Physical violence against a teacher, or other school official or employee shall be either: (1) *intentionally making physical contact of an insulting or provoking nature with the person of another* or (2) *intentionally making physical contact which causes harm to another unless such physical contacts or physical harms were in defense of himself or herself as provided in Code Section 16-3-21.*

Any student who commits any act of violence against a *teacher, school bus driver, or other school official or employee* shall be referred to a disciplinary hearing.

Disciplinary Hearings: The Superintendent shall convene a disciplinary hearing when a student has committed an alleged incident of Assault and Battery upon a teacher, school official or employee, when a student intentionally causes substantial damage to personal property of a teacher, school official or employee or when a student engages in any other act which the student's principal determines should be punished by long-term suspension or expulsion including assault and battery on other students or destruction of property belonging to other students.

Students with Disabilities: Students with disabilities receiving special education services under the *Individuals with Disabilities Education Act (1997)* have certain due process rights under both Federal and State law. Therefore, **only** the IEP/Placement Committee has the authority to change the placement of an IDEA covered student.

Students covered under *Section 504 of the Rehabilitation Act of 1973* (and therefore the *Americans with Disabilities Act*) are to be referred to the 504 team in order to determine if their disability had a causal effect on the behavior (manifestation). Prior to any change in placement, an evaluation is to be conducted within 10 school days. If the committee determines there is no manifestation, the student can receive the same consequences as students without disabilities.

School Attendance: School attendance is a high priority in the Barrow County School system. Regular attendance is vital to each student's academic progress and the development of positive habits for his/her adult life. *Georgia Law O.C.G.A. 20-2-690.1* mandates school attendance for students between the ages of 6 and 16. This law also applies to younger children once they enter school. According to O.C.G.A. 20-2-690.1 parents are responsible for enrolling and sending their children to school and school staff are responsible enforcing this law. Failure to comply with Georgia's Compulsory Education law may result in consequences for both students and parents/guardians. Consequences for students include, but are not limited to, detention, Saturday school, revocation of driving privileges and refer to Juvenile court on truancy charges. Consequences for parents/Guardians include a fine of not less than \$25.00 and not more than \$100.00, imprisonment not to exceed 30 days, community service or any combination of such penalties at the discretion of the court for each absence in violation of this policy. Parents may also be charged with deprivation for failure to comply with this law.

Mitigating Circumstances: The corrective actions described in the Code of Conduct are those expected under normal circumstances. However, mitigating circumstances may dictate a course of corrective action different from that described in the code. Mitigating circumstances include, but are not limited to, the following factors: age, health, maturity and academic placement of the student, prior conduct, attitude of the student, cooperation of the parents, willingness to make restitution and the seriousness of the offense. An administrator shall take into consideration all mitigating circumstances in recommending a corrective action. *The school administration reserves the right to exercise discretion in applying corrective actions.*

The Code of Conduct is subject to change. Check www.barrow.k12.ga.us for the most current versions.
