

BARROW COUNTY SCHOOLS
New Tire and Recapped Tire Bid

Terms and Conditions for Tire Vendors FY2019

General Terms and Conditions

All bids must be submitted to the Barrow County School System Transportation facility, in a sealed envelope no later than 10:00am, June 25th, 2018. Bidding vendors are invited to attend the bid opening at the Transportation facility on June 25th, 2018 at 10:30am. Bids will be opened and reviewed by Shop foreman Bryan Clack; Transportation Director Wanda Young and all attending parties to ensure accuracy and integrity of information provided.

The Barrow County Board of Education reserves the right to accept or reject any or all parts of quotes submitted. The Barrow County Board of Education reserves the right to award the contract by line item, specific category or in entirety to one vendor, or return to original vendor, whichever is in the best interest of the school system. Items will be awarded based on requested and received information, vendor history and experience, references submitted, reliability, price availability of product and overall value to the school district.

The Barrow County Board of Education reserves the right to terminate the contract at anytime with a 30day written notice due to lack of performance or violation of any part of the contract.

Service Terms

1. Provide a hard copy of inventory tracking information to BCS Fleet Management
Example: tires delivered, tires picked up, tires for repair, tires repaired
***A hard copy of current inventory and all activity will be provided to BCS Fleet Management as requested. A quarterly report will be given to BCS Fleet Management showing all casing activity to include tires recapped, tires repaired, tires scrapped. (scrapped tires will show reason scrapped.)**
2. Sales representative must make a regularly scheduled visit each week. For example:
Each Monday at 9:00am
***Sales representative will make regular visit each Tuesday at 10:00 am.**
3. Coordinate all scheduled pickup and drop offs with BCS Fleet Management for purposes of inventory tracking accuracy

A quarterly report (can be provided more frequent if requested) showing all casing activity will be given to BCS Fleet Management. This report will be broke down by month showing tires submitted, tires capped, tires repaired, tires scrapped.(Tires scrapped will also indicate reason tire was scrapped)**

BARROW COUNTY SCHOOLS
New Tire and Recapped Tire Bid

Products to be submitted for steer tires are major brand tires in sizes 11R22.5 and 255/70R22.5 Load Range "G". Acceptable brands include, but are not limited to, Michelin, Goodyear, Bridgestone, Firestone, Continental, General.

***All products submitted will be major brands in load range "G" or "H".**

Recapped tires to be submitted are in sizes 11R22.5 and 255/70R22.5 in "Highway" type tread pattern

***Tread submitted is the Bandag BDV, BCS Fleet Management has performance records on this tread.**

Vendors must be able to provide inventory during the entire contract period, the tire brand and size originally quoted in bid.

***Adequate quantity of tires submitted will be kept in stock.**

The Barrow County Board of Education requires every bidder to submit an affidavit stating that the tires and recaps being quoted meet the specifications as set forth in the bid including Federal Government Specifications ZZ-T-00381N and amendments and meet the requirements of Federal Motor Vehicle Standard #119 for trucks. Recapped tires must meet Federal Motor Vehicle Standard #117.

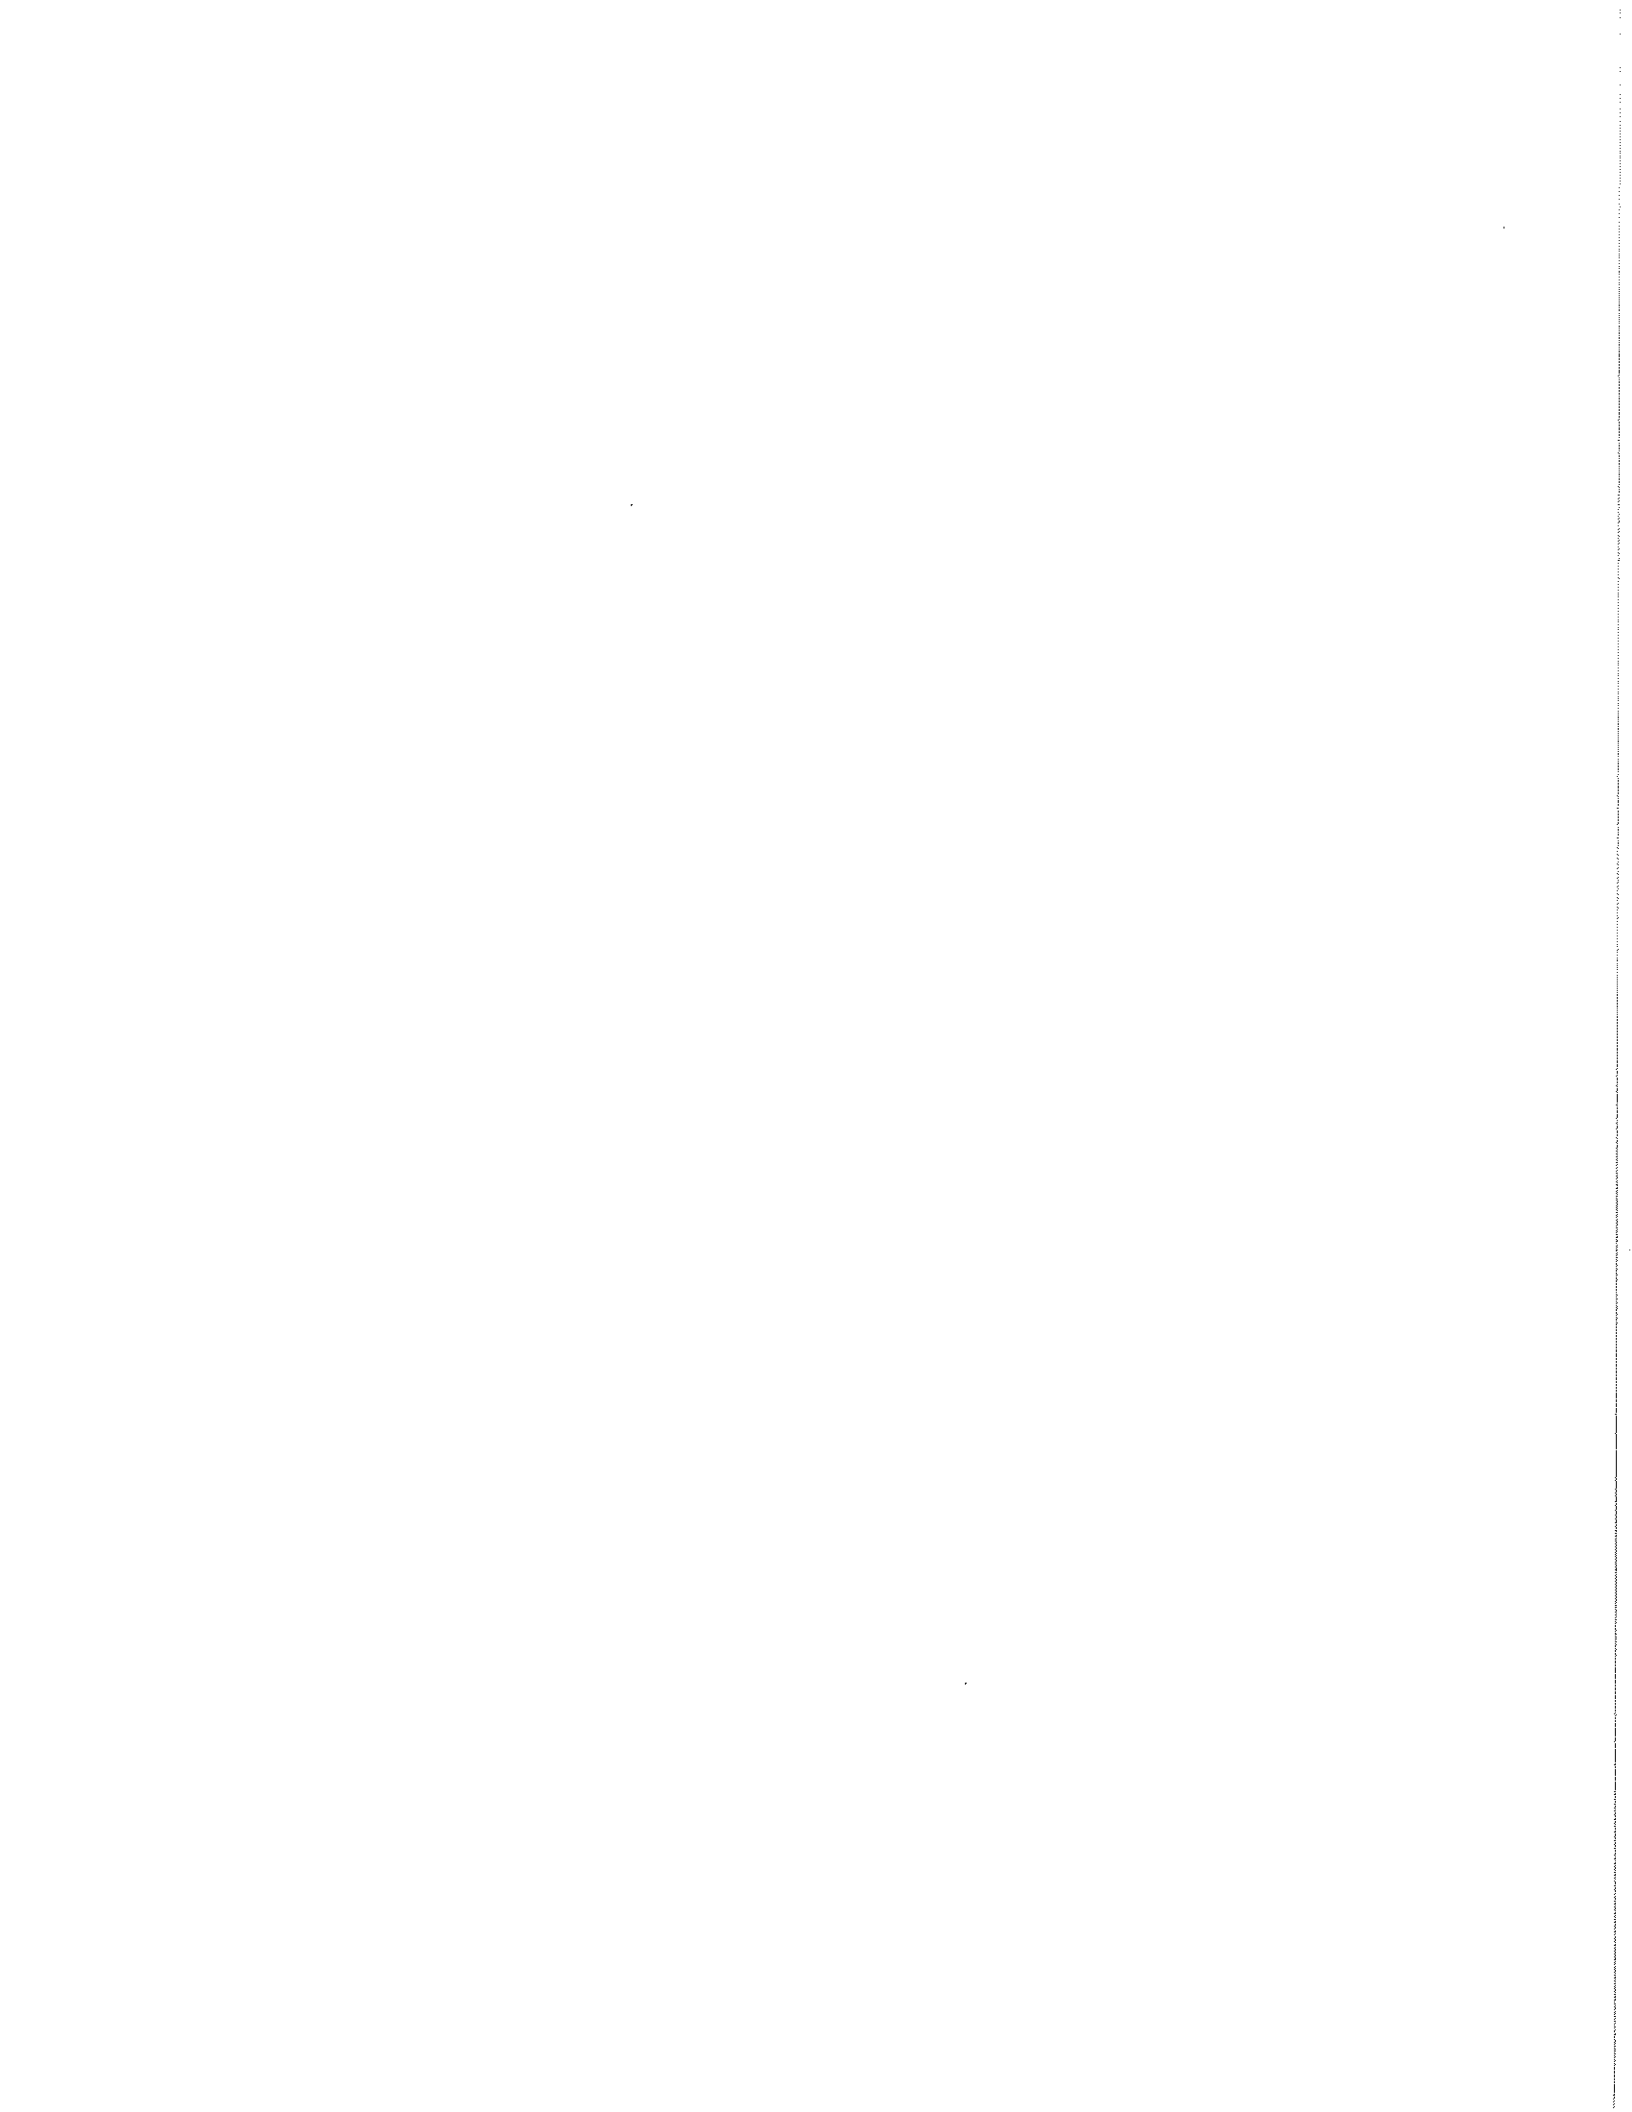

***BCS Fleet Management has a signed/notarized affidavit on hand from ACT.**

State fully the warranty covering the tires that will be furnished in the bid and the basis upon which defective tires will be replaced.

***Full Manufacture warranty is provided with all tires submitted. Any tire/recap considered defective will be picked up by salesman and be inspected my manufacture to determine reason for failure/defect. Full replacement and or credit based on remaining 32nd will be issued upon determination of manufacturing defect.**

Quality: All tires must be Class A recognized in the trade as first line, first grade, 100 level or better and shall be of NO LOWER GRADE THAN TIRES FURNISHED BY ORIGINAL EQUIPMENT MANUFACTURERS AS ORGINAL EQUIPMENT TIRES.

***All tires submitted are equal or greater grade than those furnished with original equipment.**
